

Staff Profile Create Data

B Pharma Staff

	
Name:	Dr. Dheeraj Tukaramsheth Baviskar
Designation:	Professor & Principal
Qualification:	M. Pharm, Ph.D, D.B.M., A.I.C.
Department:	Quality Assurance Technique
Experience:	Teaching 25 years

	<p>Dr. Tushar Bhalerao Salunke is Professor & HOD Pharmaceutics Department. He has 16 years of experience in Teaching and Industry. He has done M.Pharm (Pharmaceutics), MBA (Manufacturing Management) and PhD (Pharmaceutical Sciences). He has published more than 15 papers in National and international journals. He has attended many state, National, international seminars, conferences, FDP and workshops. He has also completed an Executive Diploma in Clinical Research and Pharmacovigilance. he is willing to groom students to be responsible pharmacist professionals and citizens and contribute to the pharmacy profession and at large to society.</p>
Name:	Dr. Tushar Bhalerao Salunke
Designation:	Professor & HOD
Qualification:	M. Pharm, PhD
Department:	Pharmaceutics Department
Experience:	Teaching and Industry 16 years

	<p>I am a pharmaceutical research professional with over 19 years of experience in teaching, innovation, and scientific development. My work focuses on phytopharmaceutical standardisation, marker isolation, and creating diagnostic tools that address critical challenges in women's reproductive health. I have mentored several award-winning student innovators and contributed to multiple patent filings across therapeutic and analytical domains. Currently, I serve at the Hon. Tukaramsheth S. Baviskar Institute of Pharmaceutical Education and Research, where I handle key academic portfolios including NAAC, NBA, Avishkar, and examinations. Driven by curiosity, public health impact, and a commitment to solving real-world problems, I strive to advance healthcare through research, innovation, and meaningful contributions to society.</p>
Name:	Dr. Chetan J. Bhavsar
Designation:	Professor
Qualification:	M. Pharm Ph. D
Department:	Pharmacognosy
Experience:	Teaching 19 Year

	<p>Dr. Kiran Samadhan Chaudhari is a Professor in the Department of Quality Assurance with 23 years of teaching experience. He holds M.Pharm and Ph.D. qualifications and has extensive experience in teaching and academic mentoring. His academic interests include pharmaceutical quality systems, regulatory aspects, and quality assurance practices. He is actively involved in academic and institutional responsibilities and is committed to maintaining high standards in pharmacy education and student development.</p>
Name:	Dr. Kiran Samadhan Chaudhari
Designation:	Professor
Qualification:	M. Pharm Ph. D
Department:	Quality Assurance
Experience:	Teaching 23 Year

	<p>Dr. Mangesh Kesharao Sapate is a Professor in the Department of Pharmacognosy with 15 years of teaching experience. He holds M.Pharm and Ph.D. qualifications and has expertise in pharmacognosy, medicinal plants, phytochemistry, and herbal drug standardization. He is actively involved in teaching, research, and academic mentoring, and is committed to promoting quality education and research-oriented learning in pharmaceutical sciences.</p>
Name:	Dr. Mangesh Kesharao Sapate
Designation:	Professor
Qualification:	M. Pharm Ph. D
Department:	Pharmacognosy
Experience:	Teaching 15 Year

	<p>Mr. Swapnil N. Patil is a dedicated faculty member committed to the academic and professional growth of students in the field of pharmaceutical sciences. I hold a Master of Pharmacy (M. Pharm) in Quality Assurance from RCPIPER, Shirpur and bring a well-balanced blend of industrial and academic expertise to my role. I have 06 years of industrial experience at <i>Macleods Pharmaceuticals Ltd., Daman</i>, where I gained substantial exposure to quality systems, regulatory practices, and pharmaceutical manufacturing processes. Along with this, I possess 05 years of academic experience, actively contributing to teaching, mentoring, and research activities. Presently, I am working at Hon. Tukaramsheth S. Baviskar Institute of Pharmaceutical Education and Research, Dahiwad, where I teach Pharmaceutical Organic Chemistry and Medicinal Chemistry. I am passionate about simplifying complex chemical concepts and ensuring students develop a strong conceptual foundation and analytical skills.</p>
Name:	Mr. Swapnil N. Patil
Designation:	Associate Professor
Qualification:	M. Pharm
Department:	Quality Assurance
Experience:	Teaching & Industrial 11 Years

	<p>Miss. Vaishali R. Patil is an Assistant Professor at Hon. Tukaramsheth S. Baviskar Institute of Pharmaceutical Education and Research (TSBIPER), Dahiwad, Shirpur. She has completed his M.Pharm in Pharmaceutical Quality Assurance from KBCNMUJ at A.R. Ajmera College of Pharmacy, Nagaon, Dhule. She has 5 years of teaching experience. She teaches Pharmaceutical Analysis with strong subject knowledge, student-focused teaching, and commitment to academic excellence, continually inspiring students to learn, grow, and build successful careers. She participated in the National/International Conferences. She has published research papers in National/International Journals, and she actively participates in academic activities and departmental duties. She continues to inspire students, helping them build confidence, professionalism, and successful careers in the pharmacy field</p>
Name:	Miss. Vaishali Ramesh Patil
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutical Quality Assurance
Experience:	Teaching 5 Years

	<p>I am a passionate pharmacy educator driven by the goal of shaping confident, skilled, and ethically strong future pharmacists. My teaching approach focuses on clarity, conceptual learning, and motivating students to excel academically and professionally.</p>
Name:	Mrs. Archana Natthu Wadile
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmacognosy
Experience:	Teaching Experience: 1+ Years

	<p>Mr. Kiran Rohidas Paradhi is serving as an Assistant Professor in the Department of Pharmaceutics at Tukaramsheth S. Baviskar Institute of Pharmaceutical Education and Research, Dahiwad. He has completed his Master of Pharmacy (M.Pharm) with a specialisation in Pharmaceutics, as well as Bachelor of Pharmacy (B.Pharm) from H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon.</p> <p>He has 0.9 months of teaching experience and is keenly interested in formulation development and novel drug-delivery systems. As part of his M.Pharm research, he successfully carried out a project titled “Development and Characterisation of Mouth Dissolving Film Using Quetiapine Drug.” His academic background and research exposure strengthen his foundation in pharmaceutics. Mr. Paradhi is dedicated to contributing to pharmacy education and aims to develop strong teaching, research, and professional skills in the field.</p>
Name:	Mr. Kiran Rohidas Paradhi
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutics
Experience:	Teaching 0.9 months

	<p>He is a distinguished Assistant Professor, accomplished author, and dedicated researcher in the field of Pharmacology. He holds a B.Pharm and M.Pharm (Pharmacology) from Kavayitri Bahinabai North Maharashtra University, Jalgaon, reflecting a strong academic and professional foundation. With 2 years of teaching experience, He has significantly contributed to pharmaceutical academia through authorship of the D.Pharm Exit Exam Book, Pharmacotherapeutics Book, and Clinical Research & Pharmacovigilance Book. His scholarly output includes 2 research papers and 4 review articles published in reputable international journals, reinforcing his role as an emerging voice in pharmacological research. Mr. Rohit S Patil actively participates in national and international conferences, seminars, webinars, faculty development programs, and workshops, exemplifying his dedication to continuous learning and professional advancement.</p>
Name:	Mr. Rohit Shivcharan Patil
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmacology
Experience:	2 Years

	<p>Mr. Akash A. Pawara is an Assistant Professor at Hon. Tukaramsheth S. Baviskar Institute of Pharmaceutical Education and Research (TSBIPER), Dahiwad, Shirpur. He has completed his M.Pharm in Clinical Pharmacy from KBCNMU at R. C. Patel Institute of Pharmaceutical Education and Research, Shirpur. He teaches Human Anatomy & Physiology and Social & Hospital Pharmacy with a strong focus on conceptual clarity, clinical relevance, and student-centred learning. He has completed industrial visits to Bion Clinical CRO and Synergen Bio CRO in Pune, participated in the National Conference on Pharmacovigilance, and completed the NPTEL–SWAYAM course on Basic Course in Biomedical Research. He has published one research paper in an international journal, Respiratory Investigation, and was selected for the University Avishkar Poster Presentation. He actively contributes to academic responsibilities, student mentoring, and overall institutional development.</p>
Name:	Mr. Akash Angreja Pawara
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Clinical Pharmacy
Experience:	Teaching 0.5 Months

	<p>Mr. Ajay D. Pawara is currently working as an Assistant Professor at Hon. TukaramSheth S. Baviskar Institute of Pharmaceutical Education and Research, Dahiwad, Shirpur. He has completed his (M. Pharm in Pharmaceutical Chemistry from Shreeyash Institute of Pharmaceuticals and Research, affiliated with Dr. Babasaheb Ambedkar Technological University (DBATU). He completed his Bachelor of Pharmacy (B. Pharm) from an institution affiliated with North Maharashtra University (NMU), Jalgaon, which provided him with a strong foundation in the pharmaceutical sciences. Ajay possesses a solid academic background in pharmaceutical chemistry, with expertise in drug analysis, organic synthesis, and analytical method development. He has published one review article and one research article, showcasing his active involvement in research and scientific writing. He is committed to enhancing student learning, fostering a research-oriented environment, and contributing to academic excellence in the field of pharmacy.</p>
Name:	Mr. Ajay D. Pawara
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutical Chemistry
Experience:	Teaching 0.5 months

	<p>Mr. Akshay Vijay Ghuge is an Assistant Professor in the Department of Pharmaceutics with 7 years of teaching experience. He holds an M.Pharm degree and is actively involved in teaching pharmaceutics subjects and laboratory practicals. His academic interests include pharmaceutical formulation, dosage form design, and pharmaceutical technology. He is dedicated to effective teaching and continuous academic development.</p>
Name:	Mr. Akshay Vijay Ghuge
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutics
Experience:	Teaching 7 Year

	<p>Mr. Amit Kailas Khairnar is an Assistant Professor in the Department of Pharmaceutics with 2 years of teaching experience. He holds an M.Pharm degree and is involved in teaching pharmaceutical subjects and practical training. His academic interests include formulation development and pharmaceutical technology. He is committed to effective teaching and student-oriented learning.</p>
Name:	Mr. Amit Kailas Khairnar
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutics
Experience:	Teaching 2 Year

	<p>Mr. Prashant Bhaskarrao Pawar is an Assistant Professor in the Department of Pharmaceutics with 13 years of teaching experience. He holds an M.Pharm degree and has extensive experience in teaching pharmaceutics subjects and guiding practical training. His academic interests include pharmaceutical formulation development, dosage form design, and pharmaceutical technology. He is committed to quality teaching and student-focused academic growth.</p>
Name:	Mr. Prashant Bhaskarrao Pawar
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutics
Experience:	Teaching 13 Year

	<p>Mr. Sushant Saindra Dhavale is an Assistant Professor in the Department of Pharmaceutics with 15 years of teaching experience. He holds an M.Pharm degree and is involved in teaching pharmaceutics subjects and practical training. His academic interests include drug delivery systems, formulation development, and pharmaceutical research. He is committed to effective teaching and maintaining high academic standards.</p>
Name:	Mr. Sushant Saindra
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutics
Experience:	Teaching 15 Year

	<p>Mrs. Rajshree Shiwaji is an Assistant Professor in the Department of Quality Assurance with 10 years of teaching experience. She holds an M.Pharm degree and is actively involved in teaching quality assurance subjects and practical training. Her academic interests include pharmaceutical quality systems, regulatory aspects, and quality control practices. She is committed to effective teaching and maintaining high academic standards.</p>
Name:	Mrs. Rajshree Shiwaji
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Quality Assurance
Experience:	Teaching 10 Year

	<p>My objective as a Pharmaceutical Chemistry educator is to simplify complex chemical concepts and connect them with real-world pharmaceutical applications. I focus on building a strong foundation in drug design, synthesis, and analysis while encouraging critical thinking, discipline, and professional ethics. Through an interactive and outcome-oriented teaching approach, I aim to prepare students to meet academic challenges and succeed in the pharmaceutical industry and research domain.</p>
Name:	Mr. Prashant Bijlal Sonwane
Designation:	Assistant Professor
Qualification:	M. Pharm
Department:	Pharmaceutical chemistry
Experience:	Teaching 1+ Years

D Pharm Staff

	<p>I am Mr. Vishal Dnyaneshwar Mali, an enthusiastic and committed faculty member dedicated to strengthening the academic excellence and professional values of pharmacy students. I hold a Master of Pharmacy (M. Pharm) and bring a focused academic perspective supported by leadership and student-centric initiatives. At Hon. Tukaramseth S. Baviskar Institute of Pharmaceutical Education and Research, Dahiwad, I actively contribute to teaching, examination coordination, academic planning, and mentoring. Through my structured and interactive teaching approach, I aim to simplify complex pharmaceutical concepts and help students build strong fundamentals, analytical ability, and confidence. I am deeply passionate about institutional development, disciplined academic culture, and nurturing students to become responsible healthcare professionals. With a vision for quality education and continuous improvement, I strive to inspire students toward excellence, innovation, and ethical practice in pharmacy.</p>
Name:	Mr. Vishal Dnyaneshwar Mali
Designation:	Lecturer
Qualification:	M.Pharm
Department:	Pharmacology
Experience:	Teaching 09 Years

	<p>Sunaina S. Dhangar is presently working as a lecturer(Pharmaceutics) at Maharashtra State Board of Technical Education (MSBTE), Hon. Tukaramsheth S. Baviskar Institute of Pharmaceutical Education and Research, Dahiwad, Shirpur, from June 2024. She has one year of academic experience. She graduated from Shram Sadhana Bombay Trust's Institute of Pharmacy, Jalgaon and post-graduated from KYDSCT's College of Pharmacy, Sakegaon. She has published one research paper and one review paper in national and international publications in peer-reviewed journals and has published one book chapter on the Pharmacognosy subject.</p>
Name:	Ms. Sunaina Sandip Dhangar
Designation:	Lecturer
Qualification:	B.Pharm
Department:	Pharmaceutics
Experience:	Teaching 1.5 years

	<p>A passionate and highly committed M. Pharm (Pharmacognosy) M. Pharm (Pharmacognosy) graduate with strong expertise in herbal formulations, research methodology, and analytical techniques. Passionate about academics, research, and student mentorship, she aspires to contribute to the advancement of pharmaceutical sciences through effective teaching and innovative research. She has actively participated in numerous national and international workshops, conferences, industrial visits, and research-based training programs. With 3 research papers, 5 review articles, and 1 patent published in reputed international journals, she continues to contribute significantly to the field of Pharmacognosy, demonstrating strong research potential and consistent professional growth.</p>
<p>Name:</p>	<p>Ms. Shital Kailas Patil</p>
<p>Designation:</p>	<p>Assistant Professor</p>
<p>Qualification:</p>	<p>M. Pharm</p>
<p>Department:</p>	<p>Pharmacognosy</p>
<p>Experience:</p>	<p>Teaching 0.6 months</p>

	<p>He is a distinguished Assistant Professor, accomplished author, and dedicated researcher in the field of Pharmacology.
